### Low Density Closed Cell SBR

Vulcan Corporation produces low density closed cell SBR with the following properties:

#### Mechanical Properties

Physical Properties	Units	V-8500	V-8383
Hardness	Duro 'A'	---	30-50
Hardness	Duro 'OO'	40-65	---
Density	lb/cu ft	9-15	17-27
25% Compression Deflection	psi	5-13	---
Tensile Strength	psi	50 min	125 min
Elongation	%	100 min	100 min
